FAITH THAT WORKS

**"...SHEW ME THY FAITH WITHOUT THY WORKS,
AND I WILL SHEW THEE MY FAITH BY MY WORKS." JAMES 2:18**

James, the half-brother of our Lord Jesus Christ writes to his scattered flock. He calls these first century believers, who lived in dark and difficult days to be doers of the Word of God and not hearers only. It is not the verse that we know, but rather the one that we obey that is the test of our faith. We see a generation of young people today that seem content to hear the Word of God, but they fall short of doing it. Young people need to be challenged to live out their faith in the Lord Jesus Christ in observable ways. This practical book of the Bible will be a help to each young person as we consider God's wisdom for the world in which we live and challenge us to make Jesus Christ real in our lives at the point of spiritual impact.
